. . . And More Hunting...

Pat, Here are some duck hunting pictures of Jackson for your newsletter. He is so motivated and focused and loves the water, even if it is a chilly 32 degrees. We are truly enjoying every minute of our time with him. He is such a great dog.

Pat, These pictures were taken in mid December at Big Red Oak Plantation in Gay, Georgia during one of Bella's many hunting trips. Since introducing her to birds in January she has developed into a fine hunting dog and I could not ask for a better companion. She is a natural in the field which can only be contributed to the breeding standards that you have upheld at Hollow Creek Kennel.
