

# ...& More Waggin' Tails!

**"Tucker" is now a year old. He loves the water and birds. He will fetch all day long. On the left he is actually standing on a six foot high snow bank.  
- Mary Whitney of New Hampshire**

**"Scout" has become the most loving and loyal companion I could have ever imagined. He loves the water as much as my son's boykin and the two are now best friends. They were swimming every day in the ocean until the winter storms made it to rough but spring is right around the corner. He still goes to work with me every day and has become the company mascot & a permanent part of my office. Thanks again for the greatest dog ever  
-Ken Richards of Atlantic Beach, FL**

**"Jackson" started doing some short retrieves in the water, and I thought I would never get him out. All he wanted to do was swim. I have been working with him in the yard both with dummies and frozen birds. He is coming along nicely as a hunting dog.
