

BOYKIN SPANIELS FOREVER

“Otis” is a paragon of health at 10.5 pounds. He’s sweet, willful, and hilarious, all at once. He gets along so well with other dogs and people. He’s responding really well to his training, too. He’s not so mouthy at home anymore (my toes are happy), although the new thing is that, once we’re in the woods, he goes after my pant legs as prey! We’re working on curbing/redirecting that with training, it’ll pass, I’m sure. Ah, puppies. You gotta love ‘em!

The little girl in the picture is Mia, our niece. Being a 5-year old, she insisted we put him in the green bag for a photo. Awwwww!

The photo is of Abba Furgason, 16 year old Junior Handler from Houston, Texas shown here with Texas Trace Magnolia “Mags”. Abba believes she is the first Junior to handle Boykins, place in Group (Group 4) and earn points.

For Adoption to the Right Home

“Deva” is a 6 year old female that would be best suited for a single pet family with older children. She was professionally trained to hunt and would be good with a refresher course. Best suited for dove and duck. She also was trained in agility and could still excel with work on the weave poles. For more information contact Ginger at 713-501-1661 or gingerhurley@garygreene.com. Must meet potential new owners in person, located in Houston, Texas.

“Hunley” had a good ride home and slept most of the way. His first night went well, he never cried or whined. He sleeps with us in the bed. His appetite is good. We took him to the West end of the beach which has a large beach inlet, not on the ocean, where there are no waves and he did really well swimming. We’re slowly exposing him to the water and he seem to like it. He also loves the cold floor, but he’s not much for hot weather.

“Maggie” just opened her eyes, the mom and dad are some proud puppies. This is the last litter “Megirl” will have and I would love to keep her but a friend in Baton Rouge asked for her six months ago. I now have six Megirl puppies.

“Nittany” was 13 months of age when this photo was taken in February 2010. With the unusually hot summer we are all having, I thought the photo in the snow might be refreshing.
