

...& More Waggin' Tails!

"Pippin" - One of my favorite things to watch is him in the morning looking out the back door to our deck with the anticipation of chasing the birds away from the bird feeder. It is his favorite thing to do. This is a shot we took of our dog after playing a little fetch in the back yard. (6 months old) In truth, we started out practicing T-Ball with my daughter and Pippin decided to join in by retrieving the balls after she hit them.

I lost my Springer/Choc.Lab cross last May to cancer. He looked just like a Boykin Spaniel. Only bigger as he weighed 75 pounds. I was looking for another brown dog when I happened upon a Boykin website. I could not believe how much they resembled my Leroy. And they were half his size. I began contacting breeders to see if they had any male pups or older dogs. I had no luck. One night I got on the Boykin Spaniel Society website and found an ad for a male pup. I contacted the owner and told them about losing my dog Leroy. And how much I missed my brown dog. Carey and Tandra sold Tucker to me in November. "Tucker" arrived on December 1, 2006. Tucker has brought so much joy into our lives. He has a wonderful personality and loves to be with us at all times. He is now 10 months old and has started to flush doves in the field. He is a natural. He enjoys his swimming pool with his brother Luke. And he loves to go for long walks and swim in streams and ponds. And after a hard day of play he hops up on our bed and is fast asleep. These little brown dogs are the south's best kept secret. What wonderful companions they are!
